An unrivaled combination of style, comfort, and versatility

Introducing the all-new 2015 Kia Sedona. Impressive exterior styling promises that this is a new kind of vehicle that delivers an unexpected combination of cutting-edge design and extensive capabilities. Its interior is thoughtfully designed to give an exceptional driving experience for both driver and passengers. Spacious, available eight-passenger seating* and multiple seating configurations make Sedona remarkably comfortable and versatile. A wealth of technologically advanced features, including available systems like Advanced Smart Cruise Control[1]* and Blind-Spot Detection with Lane-Change Assist,[1]* inspire confidence and enhance everyday convenience. Sedona also includes advanced safety features, helping to ensure your peace of mind. Like all Kia models, Sedona comes with an industry-leading, 10-year/100,000-mile warranty program[2] — a reflection of its outstanding quality and reliability.

DEALER

1, 2, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Cover and this page: SEDONA SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.

Spacious and adaptable

Sedona's interior adapts to your lifestyle, beginning with a choice of available seven- or eight-passenger seating.* Either way, you can configure the second- and third-row seats to carry passengers in comfort or stow extra cargo. Available tri-zone air conditioning* lets you select separate climate zones, while an available 12-way power-adjustable driver's seat and available 8-way power-adjustable front passenger seat* provide added comfort.

SPACIOUS EIGHT-PASSENGER SEATING*

With available eight-passenger seating, the second row features an easily removable center seat. This unique design allows the second row to be configured for more spacious seating and convenient access to the third row, or for an additional passenger.

UNIQUE SLIDE-N-STOW SEAT DESIGN

When you need more cargo area, you can take advantage of the second-row seats' innovative stand-up design. Instead of removing the seats from the vehicle, simply flip a lever to stand the seats upright, where they stay locked in place.

FOLD-IN-THE-FLOOR THIRD-ROW SEATS

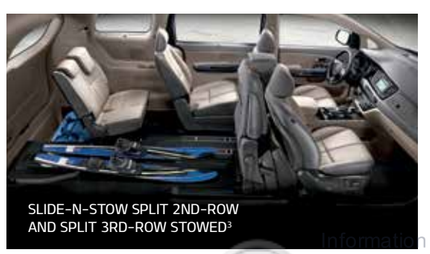
Third-row seats conveniently fold down into the floor of the Sedona, allowing you to quickly create a spacious rear cargo area. They also feature a versatile 60/40 split-fold design, giving you the option of carrying a combination of passengers and cargo.

TRI-ZONE CLIMATE CONTROL*

Available temperature control allows the driver and front passenger to adjust temperature settings to create their own climate zones. Second- and third-row passengers can adjust separate ventilation outlets.

FOLD-IN-THE-FLOOR 3RD-ROW SEATS

SPLIT 3RD-ROW STOWED AND 2ND-ROW CENTER SEATBACK FOLDED[3]



SLIDE-N-STOW SPLIT 2ND-ROW AND SPLIT 3RD-ROW STOWED[3]

SLIDE-N-STOW 2ND-ROW AND 3RD-ROW STOWED[3]

3, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. SEDONA SX WITH 8-PASSENGER SEATING PACKAGE SHOWN.

1. PORTABLE RECHARGEABLE FLASHLIGHT* An available rechargeable flashlight in the cargo area has dual functions. Mounted in its place, it automatically lights the cargo area when the hatch is opened. It is also easy to detach for use as a portable flashlight. **2. CONVERSATION MIRROR** A specially designed rearview mirror in the upper console allows driver and front passenger to clearly see rear-seat passengers without having to turn around in their seats. **3. PADDED CENTER CONSOLE** The large center console features a padded flip-up armrest. Inside, it has a large, sliding tray and a storage compartment that is deep enough for a tablet computer, along with a 12V outlet and an available Rapid-Charge* USB input jack.

1

2

3

4

5

6

4. DUAL GLOVE BOXES* An available large, cooling glove box lets you keep beverages chilled on long drives, while an available second glove box provides additional storage space. **5. 110V POWER INVERTER*** With Sedona's handy, available 110V power inverter, you can plug electronic devices—from your laptop computer to a portable camcorder — right into an electrical power outlet. **6. SECOND- & THIRD-ROW SUNSHADES*** Rear-seat passengers can enjoy a cool and comfortable drive with available side-window sunshades. **RAPID-CHARGE USB INPUT JACKS*** Keep your portable digital devices charged with the convenient, available Rapid-Charge USB input jacks.

Exceptionally easy to live with

Sedona is remarkably versatile, with a spacious cargo area[3] and a number of innovative features designed for everyday convenience. An available Smart-Power Liftgate* opens automatically if you simply stand next to it for three seconds with the available Smart Key* in your possession — which is especially helpful when you have your hands full. Plus, the Liftgate automatically retracts if it meets resistance, and you can set it to open and hold at different heights.

3, * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. SEDONA SX LIMITED SHOWN.

Driver focused

Sedona's cabin is designed to provide the driver with superb ergonomics. The shift lever is located in the center console to give the driver ready access to the Sportmatic® transmission. Everything from the steering-wheel-mounted controls[4] to the available voice-command navigation system* is intuitively placed for convenient operation. In addition, an abundance of upscale soft-touch material throughout the interior surrounds driver and passengers alike with sophisticated styling.

Confidence-inspiring technology

Sedona features an array of technologically advanced features and innovative systems dedicated to providing an exceptional level of comfort, control, and convenience. Advanced, available systems like front and rear parking assist,[5]* Rear-Camera Display,[5]* and Smart Welcome lighting* make everyday driving a pleasure.

Highly intelligent features

Sedona is equipped with impressive systems that monitor your driving environment. Innovative available features include Advanced Smart Cruise Control,[1]* Rear Cross-Traffic Alert,[1]* and Blind-Spot Detection with Lane-Change Assist,[1]* which utilizes a radar system to detect vehicles in the driver's blind spot and recognize those approaching from behind.

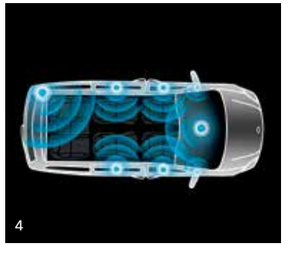
2

3



4

5

6

7

8

1. FRONT & REAR PARKING ASSIST[5]*
An available sonar system is concealed in the front and rear bumpers. When you're parking, it gives an audible warning if it detects certain objects close to your vehicle.

2. REAR-CAMERA DISPLAY[5]*
To help you see things behind your vehicle that you might not see by looking over your shoulder, Sedona features an available Rear-Camera Display with a large, bright screen.

3. VOICE-COMMAND NAVIGATION*
The convenient, available voice-command navigation system features a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic.[@6]

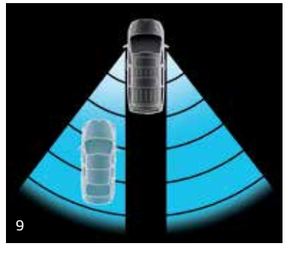
4. INFINITY[@7] AUDIO SYSTEM*
The available premium Infinity[@7] audio system includes eight speakers, an external amplifier, and a subwoofer. It provides exceptional audio entertainment and surrounds driver and passengers with crisp, balanced sound.

5. HEATED & VENTILATED SEATS*
Enjoy optimal comfort in warm weather with available ventilated driver and front-passenger seats. Available heated front seats with three temperature settings and heated second-row seat cushions help ensure comfortable driving in cold weather.

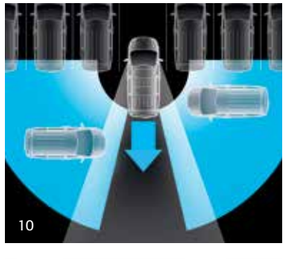
6. LCD SUPERVISION METER CLUSTER*
The available Supervision meter cluster's 3.5-inch LCD screen has sharp, high-contrast graphics for outstanding readability of the speedometer, tachometer, and other gauges.

7. SMART WELCOME*
The available Smart Welcome system is activated by the available Smart Key remote. When you get close to your Sedona, interior and door-handle lights go on and the power-folding mirrors unfold.

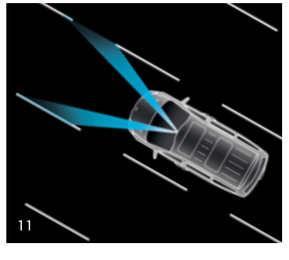
8. STAIN-RESISTANT SEATS
YES Essentials[@8] cloth seating features repel-and-release technology for stain resistance so even messy spills clean up easily. Plus, advanced fibers help eliminate lingering smells that moisture can leave behind.



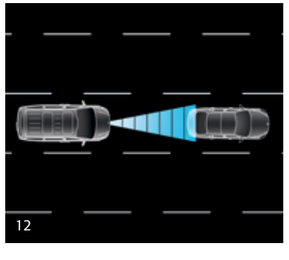
9



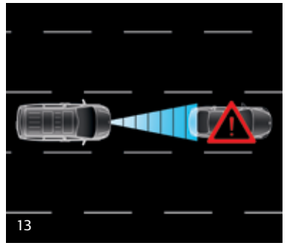
10



11



12



13

14

15

16

9. BLIND-SPOT DETECTION WITH LANE-CHANGE ASSIST[1]*
The available radar system helps detect vehicles in the driver's blind spot and then provides alerts. Lane-Change Assist helps detect vehicles approaching from behind.

10. REAR-CROSS TRAFFIC ALERT[1]*
Available Rear Cross-Traffic Alert warns the driver of cross-traffic while the vehicle is in reverse by activating audible and visual alerts to help reduce the likelihood of a collision.

11. LANE DEPARTURE WARNING SYSTEM[1]*
Available Lane Departure Warning System is designed to detect the vehicle moving out of its lane without the turn signal being used. When it does, the advanced system alerts the driver with a combination of audible and visual warnings.

12. ADVANCED SMART CRUISE CONTROL[1]*
Available Advanced Smart Cruise Control uses radar to maintain a predetermined distance from the vehicle directly ahead, automatically slowing or accelerating your Sedona when appropriate.

13. FORWARD COLLISION WARNING SYSTEM[1]*
Available Forward Collision Warning System activates alerts when the vehicle detects objects immediately ahead that may cause a potential impact, encouraging the driver to decelerate.

14. PUSH-BUTTON START*
To make everyday driving more convenient, the available Smart Key remote lets you start or stop the engine with the push of a button, even when you have the key fob in your pocket or purse.

15. SURROUND-VIEW MONITOR[5]*
Available Surround-View Monitor utilizes four cameras, located at the front, rear, and sides, to provide visibility all around the vehicle. This helps enhance the driver's view when maneuvering into parking spaces.

16. CLUSTER IONIZER*
The available tri-zone air-conditioning system includes a cluster ionizer. It works silently and efficiently within the system to help purify air in the cabin.

DEALER E-PROCESS

It's nice to be well connected

ADVANCED VOICE RECOGNITION*

UVO eServices'[4]* advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free[4] use of your phone — with simple, intuitive verbal commands.

LOCAL SEARCH POWERED BY GOOGLE®[9]

UVO eServices[4]* can access Local Search powered by Google™ when it is connected wirelessly to an Internet hotspot.[4]

MY POINTS OF INTEREST*

UVO eServices[4]* allows you to use a web-enabled computer to send locations that you find on Google Maps™[9] mapping service to the navigation system for route guidance.

PARKING MINDER[10]*

Parking Minder can record your vehicle's location whenever you park. Then you can use your compatible smartphone[11] to help find your car. It also lets you take pictures of the area for reference, write a reminder note, or set an alarm if you're parked at a meter.

911 CONNECT[12]*

In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices[4]* can also transmit your vehicle's location to the emergency services operator.

ENHANCED ROADSIDE ASSIST[13]

You can call for roadside assistance by touching an icon on the smartphone[11] app[4] screen. UVO eServices[4]* then sends your location to the Call Center and connects you to an operator.

VEHICLE DIAGNOSTICS[14]*

Vehicle Diagnostics lets you perform a diagnostics check at any time or schedule one on a regular basis. Diagnostics Trouble Code (DTC) automatically alerts you to schedule an appointment or request roadside assistance if the system detects a critical powertrain issue.

UVO — short for "your voice." Sedona is available with the innovative UVO eServices[4] Infotainment System with voice-command navigation.* It provides you with an easy, hands-free[4] way to connect to your vehicle by seamlessly integrating your compatible smartphone[11] with your Sedona. UVO eServices[4]* also lets you stream music, download apps from the App Download Center, monitor your vehicle's driving habits, access 911 Connect[12] or Enhanced Roadside Assist,[13] and check maintenance requirements with Vehicle Diagnostics[14] on the large 8"-capacitive touch screen.* Additionally, there are no subscription fees[4] to enjoy all these benefits.

4, 6, 9, 10, 11, 12, 13, 14, 15, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Actual component appearance may vary. Siri compatible with iOS 6 and above only. UVO eSERVICES INFOTAINMENT SYSTEM WITH VOICE-COMMAND NAVIGATION SHOWN.

UVO eSERVICES APP[4]

An available free app allows you to integrate your compatible smartphone[11] with your vehicle — and make the most of UVO eServices.[4]* This app can be downloaded at the App Store[SM][15] and Google Play™ Store.[9]

MY CAR ZONE*

My Car Zone provides Curfew, Speed, and Geo Fence alerts based on your targeted presets. You may also use the touch screen to check driving habits — including the history of preset violations for curfew time, speed limit, or geographical radius parameters.

eSERVICES[4] GUIDE*

To learn more about UVO eServices'[4]* features, you may access an automated user manual by using the touch screen on the vehicle.

VOICE-COMMAND NAVIGATION*

The available voice-command navigation system has a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic.[6]

MYUVO.COM WEB/MOBILE*

MyUVO.com lets you check Vehicle Diagnostics[14] and schedule appointments with your preferred or nearby Kia retailer using your home computer or mobile device.

APP DOWNLOAD CENTER*

Wirelessly connect to an Internet hotspot[4] and download available apps to your Sedona.

APPLE®[15] SIRI® COMPATIBLE*

UVO eServices[4]* enables you to access your iPhone®'s[15] Siri® with the vehicle's steering-wheel-mounted[4] controls.

Available on the App Store

GET IT ON Google play

A higher standard of comfort

Sedona SX Limited provides truly luxurious accommodations. Premium two-tone, Nappa leather seat trim is elegant and extraordinarily comfortable. Reclining second-row, first-class lounge seats[16] slide both forward-and-backward and side-to-side for remarkable adjustability. They also feature aviation-style, contoured head rests and adjustable armrests and footrests for exceptional comfort.

16, * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. SEDONA SX LIMITED SHOWN.

Information Provided by
DEALER E-PROCESS

DUAL SUNROOF*
Front and rear sunroofs on Sedona SX Limited let you enjoy a feeling of spaciousness and fill the cabin with fresh air. They also feature dual sliding sun-shades that are easy to open and close.

DRIVER'S MEMORY SEAT SYSTEM*
Available memory settings for two drivers are located on the driver's door. They provide the luxury and comfort of personalized ergonomics for the available 12-way power-adjustable driver's seat.

HEATED STEERING WHEEL*
Sedona SX Limited includes a wide variety of luxurious features designed to provide comfortable driving all year long. The available heated steering wheel is especially nice on cold winter mornings.

PREMIUM NAPPA LEATHER SEATS*
With premium full-grain Nappa leather seat trim for both first- and second-row seating, the Sedona SX Limited combines an elegant feel and upscale styling for traveling in extraordinary comfort.

The power of exceptional engineering

Sedona delivers a refined driving experience. With its powerful, 276-horsepower Gasoline Direct Injection (GDI) V6 engine and Sportmatic® transmission, you get strong acceleration when you need it along with crisp, precise handling. You'll also enjoy a smooth, quiet ride, thanks to its four-wheel independent suspension and outstanding interior insulation.

GASOLINE DIRECT INJECTION (GDI) V6 ENGINE
Sedona features a 3.3-liter Gasoline Direct Injection (GDI) V6 engine that generates 276 horsepower. It's tuned for outstanding midrange torque for impressive acceleration.

SPORTMATIC® TRANSMISSION
The six-speed automatic transmission provides smooth, seamless shifting. Its Sportmatic® function allows you to choose between automatic mode or, for even sportier driving, clutch-free manual shifting.

REFINED SUSPENSION
MacPherson-strut-front and multi-link-rear suspension systems offer exceptional handling, directional stability, and smooth operation.

HIGH-TENSILE STEEL BODY CONSTRUCTION
To help create a more rigid body structure, Sedona incorporates advanced high-strength and press-hardened steel. The result is enhanced strength and more precise handling characteristics, along with reduced weight, noise, and vibration.

DRIVE MODE SELECT SYSTEM
To suit your style of driving, available Drive Mode selectable electronic steering and powertrain control allows a choice of normal, ECO, or comfort settings.

STRONG TOWING CAPACITY
The 3.3-liter Gasoline Direct Injection (GDI) V6 engine produces 248 lb.-ft. of torque, giving Sedona a towing capacity of 3,500 lb.[17]

SMOOTH, QUIET RIDE
Rough road conditions are no problem for Sedona. Its four-wheel independent suspension features front Amplitude Selective Dampers (ASD) shock absorbers for a smooth ride even over most bumpy roads. Plus, extensive interior insulation helps provide an exceptionally quiet ride.

HID HEADLIGHTS WITH AUTOLEVELING & SMART HIGH-BEAM TECHNOLOGY*
Available High-Intensity Discharge (HID) headlights are autoleveling and provide bright, crisp lighting. To help ensure courteous driving, Smart High-Beam Technology automatically dims to low when oncoming traffic is present.

17, * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. SEDONA SX LIMITED SHOWN.

Advanced safety systems — because life is full of curves

Sedona features advanced safety systems designed to help give you peace of mind every time you drive. Each one is engineered to help you maintain control, even in harsh road conditions and in some emergency situations.† These safety systems are designed to function automatically, leaving you free to focus on safe driving.

ELECTRONIC STABILITY CONTROL (ESC)
ESC provides improved directional stability, which helps you maintain better control in difficult driving situations. During emergency maneuvers, it can control the engine and brakes to help keep your Sedona on course.

TRACTION CONTROL SYSTEM (TCS)
When TCS senses wheelspin during acceleration, it uses a combination of engine power and brake force to help transfer power to the wheels that have the most traction.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)
To help maintain more consistent braking as vehicle loads and weight distribution change, EBD automatically adjusts the front-to-rear balance of brake pressure.

BRAKE ASSIST SYSTEM (BAS)
If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

CORNERING BRAKE CONTROL (CBC)
CBC provides side-to-side brake-pressure proportioning using the Electronic Brake-force Distribution system, resulting in optimized vehicle deceleration and stability when braking into a turn.

HILL-START ASSIST CONTROL (HAC)
To help keep your Sedona from rolling backward when starting off on a steep hill, the HAC system automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

Information Provided by:
DEALER E-PROCESS

†No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. SEDONA SX LIMITED SHOWN.

AIRBAG & SEAT-BELT SENSORS
This advanced system monitors the severity of certain impacts, the presence of a front passenger, and seat-belt use, and then controls airbag inflation accordingly.[18]

FRONT SEAT-BELT PRETENSIONERS
Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS
The front height-adjustable seat-belt anchors allow the driver and front-passenger seat belts to be raised and lowered for a proper fit.

FRONT & REAR 3-POINT SEAT BELTS
Three-point seat belts are standard for all seating positions, so that each person is protected with an over-the-lap and shoulder seat belt.

SIDE-IMPACT DOOR BEAMS
All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

FRONT & REAR CRUMPLE ZONES
Front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the structural integrity of the passenger compartment in certain collisions.

LATCH SYSTEM
The Lower Anchors and Tethers for Children (LATCH) system is standard and makes it easier to securely install a compatible child seat in the second row and passenger-side third row.

Designed to help protect driver and passengers

Sedona is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side curtain airbags.[18]

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly.
Inflated airbags are shown for illustration only. 18 See Specifications page for endnote. SEDONA SX LIMITED SHOWN.

Delivering on a promise

Kia is committed to producing world-class vehicles to suit most every driving need. This commitment has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems. Kia's dedication to quality and value has been widely recognized — one reason why Kia has been named as a top 100 brand in Interbrand's Best Global Brands 2013 report.[19] In addition, Kelley Blue Book's KBB.com has announced the recipients of its Brand Image Awards, naming Kia as the 2014 Best Value Brand. This honor recognizes our success at producing fuel-efficient and affordable vehicles.[20]

TAKING ON THE COMPETITION

The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia's belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with proven track records, and with 11 podium finishes — including five victories — in the 2014 season, you can look for Kia in the winner's circle at racetracks across America in the months ahead.

INDUSTRY-LEADING WARRANTY PROGRAM[2]

Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.[2]

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance

COMPELLING DESIGN

Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners, as well as Kia's designers, with pride.

KIA GT4 STINGER CONCEPT VEHICLE SHOWN (not available for sale).

COMMITMENT TO AMERICA

Kia Motors has invested over $1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant recently produced its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant.† Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 14,000 jobs in West Point and the surrounding areas. It's all part of Kia Motors' commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

B.R.A.K.E.S. PRO-ACTIVE DRIVING SCHOOL FOR TEENS

Kia understands that teaching teenagers safe driving skills can save lives. To accomplish this goal, Kia has formed a partnership with the B.R.A.K.E.S. (Be Responsible And Keep Everyone Safe) Pro-Active Driving School for Teens (www.PutOnTheBrakes.org), with support including a fleet of 32 vehicles. B.R.A.K.E.S. provides teenagers 15-19 nationwide with no-cost, hands-on defensive training on a closed course in a controlled environment to respond to real-world driving scenarios.

DONORSCHOOSE.ORG

Kia is committed to providing assistance to those in need. That's why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. Together with thousands of citizen philanthropists, Kia has raised more than $5 million to fund more than 10,000 projects across all 50 US states, impacting more than 1.5 million high-need public-school students in just two years.

Information Provided By DEALER E-PROCESS

SPECIFICATIONS

ENGINE

Type	3.3L V6, aluminum block & head
Valve gear	DOHC, four valves/cylinder, Continuously Variable Valve Timing (CVVT)
Displacement	3342 cc
Compression ratio	11.5:1
Horsepower (SAE net)	276 hp @ 6,000 rpm
Torque (SAE net)	248 lb.-ft. @ 5,200 rpm
Fuel system	Gasoline Direct Injection (GDI)
Transmission	6-speed electronically controlled Sportmatic® overdrive

DIMENSIONS

Wheelbase		120.5 in.
Track (front/rear)		68.5 in./68.8 in.
Length		201.4 in.
Width (w/o side mirrors)		78.1 in.
Height (w/o roof rails & sunroof)		68.5 in.
Ground clearance		6.7 in.
Headroom (w/o sunroof)	(front) (middle/rear)	39.8 in. 39.4 in./38.9 in.
Shoulder room	(front) (middle/rear)	63.9 in. 63.1 in./59.4 in.
Legroom	(front) (middle/rear)	40.9 in. 41.1 in./34.8 in.
Hip room		59.3 in. 66.1in./50.0 in.
Cargo volume (SAE)	(behind 3rd row) (behind 2nd row) (behind 1st row)	33.9 cu. ft. 78.4 cu. ft. 142.0 cu. ft.
Luggage/cargo volume (Consumer Reports)		62.1 cu. ft.

CURB WEIGHT

Automatic transmission	4,411 lb.- 4,720 lb. (fully optioned)

CAPACITIES

Towing capacity[17]	3,500 lb. (See Owner's Manual)

BODY & CHASSIS

Body type	Steel unibody
Front suspension	Independent, MacPherson struts, coil springs, anti-roll bar
Rear suspension	Independent, multi-link, coil springs, struts
Steering type	Rack-and-pinion, hydraulic (L, LX, EX) Motor-driven, power-assisted (SX, SX LIMITED)
Turns, lock-to-lock	3.16
Turning circle, curb-to-curb	36.8 ft.

TIRE & BRAKES

Tire size	235/65R17 (LX), 235/60R18 (EX/SX), 235/55R19 (SX LIMITED)
Brake type	Power-assisted ABS + Electronic Stability Control
Front/rear	12.6 in. ventilated discs/11.9 in. solid discs

2015 EPA-ESTIMATED FUEL ECONOMY[26]

City/Highway MPG	LX/EX/SX (8-PASSENGER)	SX (7-PASSENGER)	SX LIMITED
Automatic transmission	18/24	18/25	17/22
Fuel tank capacity (gallons)	21.4	21.4	21.4

ENDNOTES

1. The Blind-Spot Detection w/Lane-Change Assist, Rear Cross-Traffic Alert, Lane Departure Warning System, Advanced Smart Cruise Control, Forward Collision Warning System are not substitutes for proper and safe driving. Always drive safely and use caution. These systems may not detect every object in the vehicle's blind spot or surrounding areas, or direction of travel. Images shown for illustration only. **2.** The Kia 10-year/100,000-mile warranty program includes various warranties and roadside assistance. Warranties include powertrain and the New Vehicle Limited Warranty (Basic). All warranties and roadside assistance are limited. See retailer for details or go to kia.com. **3.** All cargo should be evenly distributed and properly secured, and never piled higher than the seatbacks. Images shown for illustration purposes only. **4.** Warning: Driving while distracted is dangerous and should be avoided. It can result in a loss of vehicle control that may lead to an accident, severe personal injury, and death. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention, and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle. Actual product may vary in appearance from photographs. See retailer for details. No subscription fee for UVO eServices. No charge for the UVO eServices app but requires downloading. App uses your smartphone cellular data service. Normal cellular service rates will apply. Internet hotspot connection can be made to your personal wireless Internet at home or to a smartphone device with Internet service plan (normal cellular service rates may apply). **5.** These systems are not substitutes for proper and safe driving, backing-up, or parking procedures; therefore, always drive safely and use caution. These systems may not detect every object behind the vehicle, in a driver's blind spot, surrounding areas of the vehicle, or direction of travel. Images shown for illustration only. **6.** All SiriusXM® services require a subscription, sold separately, after 3-month trial included with vehicle purchase. **See the SiriusXM Customer Agreement for complete terms at www.siriusxm.com.** Programming subject to change. Sirius satellite service is available only to those in the 48 contiguous USA, DC, and PR (with coverage limitations). Traffic information not available in all markets. See siriusxm.com/traffic for details. Sirius, XM, and all related marks and logos are trademarks of Sirius XM Radio Inc. Satellite and Internet radio channel lineups may vary slightly. **7.** Infinity® is a registered trademark of Harman International Industries, Inc. **8.** YES Essentials® is a registered trademark of Sage Automotive Interiors. **9.** Google, Google Play, and Google Maps are trademarks of Google Inc. Google Maps ©2014 Google. **10.** Feature operates with certain smartphone devices with activation of app. Normal cellular service rates apply. **11.** Apple iPhone® and select Android™ devices only are UVO eServices compatible. iPhone® is a registered trademark of Apple Inc. Android™ is a trademark of Google Inc. **12.** Feature activates after an airbag deployment. Feature requires a mobile phone connected via *Bluetooth*® wireless technology. Dependent on cellular service coverage. **13.** 24-hour Roadside Assistance is a service plan provided by Kia Motors America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. To use the Enhanced Roadside Assist feature, a mobile phone connected via *Bluetooth*® wireless technology within the cellular-service coverage area is required. **14.** Vehicle Diagnostics feature does not take the place of regularly scheduled maintenance. Feature checks powertrain, chassis, and airbag systems only. For factory-recommended maintenance schedule, see the Maintenance Feature of UVO eServices or the Owner's Manual. **15.** Apple, the Apple logo, Siri, and iPhone are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. Siri compatible with iOS 6 and above only. **16.** Reclining seat and/or elevating footrest can reduce the effectiveness of the safety restraint system and may lead to additional injury in an accident. **17.** Towing requires additional equipment. See Owner's Manual for towing capacity, and additional information and warnings. **18.** For maximum protection, always wear your seat belt. No system, no matter how advanced, can compensate for all driver errors, driving conditions, and/or injury. **19.** Interbrand's Best Global Brands 2013 report is a look at financial performance of the brand, role of brand in the purchase decision process, and the brand strength. Go to www.bestglobalbrands.com for more information. **20.** 2014 Kelley Blue Book Brand Image Awards are based on the Brand Watch™ study from Kelley Blue Book Market Intelligence. Award calculated among non-luxury shoppers. For more information, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. For EPA-estimated MPG information, see retailer or go to kia.com. **21.** NBA Identifications are the intellectual property of NBA Properties, Inc. ©2014 NBA Properties, Inc.
